Public Input Requested for Possible Street Improvements

Name and Address (optional): _____

The City Council has acknowledged the need for street improvements and is starting preliminary planning for a street improvement project. Prior to moving forward, we would like the public's input on the streets and a possible street improvement project.

This survey can be completed online at www.hopend.com or this form can be filled out and dropped off after the Public Input Meeting on May 2, or dropped off (107 Steele Avenue, Hope, ND) or mailed (PO Box 189, Hope, ND 58046) to the Auditor's Office. Surveys should be submitted by May 10, 2019.

1.) On a scale of 1-10 with 1 being many issues and 10 being no issues, how would you rate the condition of Hope's streets system?

1 2 3 4 5 6 7 8 9 10
MANY ISSUES NO ISSUES

2.) On a scale of 1-10 with 1 being many issues and 10 being no issues, how would you rate the condition of Hope's sidewalk system?

1 2 3 4 5 6 7 8 9 10
MANY ISSUES NO ISSUES

3.) Do you think that the City of Hope should improve the street and sidewalk system?
- o Yes – the Streets
- o Yes – the Sidewalks
- o Yes – Both Streets and Sidewalks
- o No - Neither

4.) What do you think are the biggest issues to be addressed with the current streets?

Your Response: _____

_____

5.) How much per month would you be willing to pay in special assessments to improve the streets and/or sidewalks?
- o I do not want an assessment. I understand streets and sidewalks will continue to degrade.
- o Less than $50.00
- o $50.00
- o $75.00
- o $100.00
- o I would pay more than $100 per month to improve the City's streets
- o Other value per month:_____

6.) What additional comments or questions do you have regarding the streets and a possible street project? Feel free to attach additional comments and questions.

Your Response: _____
